What are you Nitin Parakh!

Some kind of 'magician' - or what?!?!?!?

Barfy, 48 hours after your visit to my place, life suddenly does a 'double-somersault' and starts to smile at me! WOW!!!!

Is it too early to feel elated?!

Could it be pure coincidence.....

Or, has 'Vaastu', 'Feng Shui' and your generosity, all rolled-into-one? done the 'trick'!?!.....

Such conflicting questions hammer at my mind, but my 'inner-being' & heart tells a different story...

Frankly, at this point of time, I really don't have an answer - but one thing - I DO know!...

When you walked into my house, you brought along very strong 'Energies' that permeated all around and seemed to embrace me with warmth and a feeling of 'well-being'!!

Perhaps, this worked! - so quickly, that it took my breath away....

Your 'fees' takes care of the 'Professional-  
aspect—

However,

· Kindness, Warmth, sincerity and that  
'special-human-touch' don't come with a  
price-tag! It's PriceLess!!!

Thank you -- for All This - - - - -

May you have a "Magical - Diwali -"  
and many, many bright years ahead! -

Warm Regards,

Omrapali
